

7. Description of the accountability measures the institution will use to ensure full implementation of the institutional plan.
8. Nothing in these guidelines is intended to alter the existing rules dealing with tenure termination. The plan for tenured faculty review should not involve the creation of unnecessary additional bureaucracy; it is intended to ensure that either new or existing post-tenure review procedures meet the minimum expectations described in the guidelines. If existing procedures already meet these guidelines and are auditable, they may be submitted as the institutional plan.

Timetable: Because it is important for institutions to shape their own plans to be appropriate for that institution and because it is crucial that the faculty be primarily responsible for the plans, sufficient development time is crucial. Therefore, institutional plans for tenured faculty review and development will be developed during the 1992-93 year and will be submitted to the Office of Academic Affairs in Spring, 1993, for approval and will be implemented during the fall semester, 1993-94.

History: Res. 6118 adopted 5/8/92.
